## Ward 2: 2008 Properties Foreclosed

### December 2008

- This report includes only mortgage foreclosures; for 2008 and prior years, other foreclosure categories (assessments, associations, executions, judgments) are not included.
- In order to focus on the number of properties foreclosed rather than foreclosure sales events, multiple Sheriff's sales on the same property owned by the same person are counted once.
- The report counts foreclosures at the Sheriff's sale and does not take into account back-dated foreclosures recorded after the data was compiled, nor any properties later redeemed by the owner in the 6 month redemption period.
