LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL UNION NO. 70, AFL-CIO

THIS AGREEMENT, hereinafter referred to as the *Labor Agreement* or the *Agreement*, is made and has been entered into effective October 1, 2014 by and between the City of Minneapolis, the *Employer*, and the International Union of Operating Engineers, Local Union No. 70, AFL-CIO, the *Union*. The Employer and the Union, the *Parties*, agree to be bound by the following terms and provisions:

ARTICLE 1 RECOGNITION AND UNION SECURITY

Section 1.01 - Recognition and Amendments to Unit

Subd. 1. Recognition

The Employer recognizes the Union as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who work less than fourteen (14) hours per week or thirty five percent (35%) of the normal work week in the employees appropriate unit, or less than sixty-seven (67) working days in any calendar year, except those who are Supervisors or Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees.

Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Union over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner, Bureau of Mediation Services, State of Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

Section 1.02 - Union Dues and Fair Share Fees Check-Off

Subd. 1. Union Dues Payroll Deductions

In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide initiation fee and the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the Employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

Subd. 2. Fair Share Fees Payroll Deductions

In accordance with *Minnesota Statutes* §179A.06, Subd. 3, the Employer shall, upon notification by the Union, deduct a *fair share fee* from all certified employees who are not members of the Union. This fee shall be an amount equal to the regular membership dues of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85%) of the Union's regular membership dues or such amount as may otherwise be allowable by law. The Union shall certify to the Employer, in writing, the current amount of the fair share fee to be deducted as well as the names of bargaining unit employees required by the Union to pay the fee.

Subd. 3. Time of Deductions

The Employer shall deduct Union dues and fair share fees each payroll period. All persons now employed or hereinafter employed by the Employer thirty-one (31) days from the date of their employment, and coming under the jurisdiction of this Agreement shall become and remain members of the International Union of Operating Engineers, Local 70 or alternatively pay the portion of the initiation fee, dues and assessments that are uniformly applied to all members covered by this Agreement that relate to the Union's representation function. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

Subd. 4. Remittance

The Employer shall remit such Union dues and fair share fees deductions made pursuant to the provisions of this section to the appropriate designated officer of the Union by the 15th of the month, following the month of the deduction, along with a list of the names of the employees from whose wages deductions were made, the amounts deducted, and the names of the employees from whose wages deductions were not made.

Subd. 5. General Administration

The following shall be applicable to the administration of the provisions of this section:

a. All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.

b. The Employer shall, upon the request of the Union, but no more frequently than once each calendar quarter, provide the Union with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, mailing addresses of record, Union Code, current rates of pay, and classification/City seniority.

c. When an employee on the dues deduction transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.

d. No other employee organization shall be granted payroll deduction of dues for employees covered by the Agreement without the express written permission of the Union.

Subd. 6. Hold Harmless

The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Union.

Section 1.03 - Exclusive Representation

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Union.

Section 1.04 - Union Stewards

The Union may designate certain bargaining unit employees to act as stewards and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the Union who shall be authorized by the Union to investigate and present grievances. The Employer agrees to recognize such representatives, subject to the following:

Subd. 1. Number of Stewards

The Union may designate four (4) stewards from among those employees who are employed within the scope of the bargaining unit.

Subd. 2. Activities of Stewards

Designated and certified stewards shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer during their normal working hours.

Such stewards, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the Parties agree that it is mutually beneficial to have an officer of the Union participate in such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Stewards and other representatives of the Union shall not interfere in any way with the Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

Section 1.05 - Visitation

With notice to an available supervisor at a worksite, non-employee representatives of the Union who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Union agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings (except for contract ratification meetings arranged and approved in advance on a make-up time basis which do not adversely affect the Employer's operation) or other Union activities on the Employer's time by such non-employee representatives, the Union's stewards or any officers of the Union.

Section 1.06 - Bulletin Boards

The Employer shall provide for the Union's use, reasonable space on designated bulletin boards for the purpose of posting official Union notices. Each posted notice shall bear the signature of the Union representative who has posted the notice and the date of the posting. Such person shall be required to remove the notice once it has served its purpose. The Union shall not post material of a political nature.

Section 1.07 - Union Membership

Employees have the right to join or to refrain from joining the Union. Neither the Employer nor the Union nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Union, and further there shall be no discrimination or coercion against any employee because of Union membership or non-membership. The Union shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

ARTICLE 2 **MANAGEMENT RIGHTS**

The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

ARTICLE 3
NO STRIKE - NO LOCKOUT

Section 3.01 - No Strike

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

Section 3.02 - No Lockout

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

Section 3.03 - Violations by Employees

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

ARTICLE 4
SETTLEMENT OF DISPUTES

Section 4.01 - Scope

This article shall apply to all members of the bargaining unit.

Section 4.02 - Letter of Inquiry

Any employee may file a "letter of inquiry" which requests information on salary, working conditions and/or benefits. Such "letter of inquiry" is available from the business agent or steward. The business agent shall process the letter of inquiry. Where the business agent believes it necessary, he/she may request in writing from the Director, Employee Services information to enable a response to the inquiry. The information requested shall be provided by the Director, Employee Services within ten (10) calendar days of receipt of the request. The business agent will respond to the member.

Section 4.03 - Informal Problem Resolution

From time to time, violations relating to the application of this Agreement may arise. Many of these violations can be resolved informally. An alleged violation that cannot be resolved informally is called a grievance.

Section 4.04 - Definition, Timelines and Form

A grievance is any matter concerning the interpretation, application, or alleged violation of any

currently effective agreement between the City and the bargaining unit. Grievances shall be resolved in the manner outlined in this article.

Subd. 1. Time Limits

Time limits, as specified in the grievance procedure, may be extended by written mutual agreement of the parties. The failure of the City to comply with any time limit herein means that the Union may automatically process the grievance to the next step of the grievance procedure. Failure of the Union or its employees to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

Subd. 2. Commencement of Grievance

A grievance must be commenced at step one no later than twenty-one (21) days from the discovery of the grievable event(s) or fourteen (14) days from when the event(s) reasonably should have been discovered, whichever is later. Unless otherwise expressed, days shall mean calendar days.

Subd. 3. Grievance Forms

Forms for the grievance procedure will be developed jointly. The form shall clearly identify that it is a grievance and specify the alleged contractual violation or past practice.

Subd. 4. Cooperation

The City will cooperate with the Union to expedite the grievance procedure to the maximum extent practical.

Section 4.05 - Step One (Immediate Supervisor)

An employee shall inform the immediate supervisor of the grievance in writing on the standard grievance form.

If an employee representative expressly requests a discussion with the immediate supervisor concerning the written grievance, such discussion shall take place within seven (7) days after filing the grievance unless the time is mutually extended. The discussion with the immediate supervisor shall be held with one of the following:

- A. The employee accompanied by a Union representative;
- B. The Union representative alone if the employee so requests.

Within ten (10) days after the grievance is filed or the discussion meeting concludes, whichever is later, the immediate supervisor shall state his/her decision, in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee who filed the grievance, one (1) copy to the business agent, and one (1) copy to the Director, Employee Services. Each step one decision shall be clearly identified as a "step one decision."

Section 4.06 - Step Two (Department Head)

If the step one decision is not satisfactory, a written appeal may be filed by the Union with the department head within ten (10) days of the date of the step one decision. A copy of the appeal shall be sent to the Director, Employee Services.

Upon request of either party, all persons who participated at step one, or all necessary persons shall have a reasonable opportunity to be heard at step two. If a meeting is requested by the Union, the department head shall schedule a meeting. Notification of at least three (3) days shall be given to the Union.

Within thirty (30) days after the meeting or the receipt of the appeal, whichever is later, the department head shall present a written decision to the Union. The step two decision shall clearly identify that answer as a “step two decision.”

Section 4.07 - Step Three (Director of Human Resources or his/her Designee)

If the step two decision is not satisfactory, a written appeal may be filed by the Union to the Director of Human Resources, or his/her designee, within ten (10) days of the date of the step two decision. Upon request of the Union, a meeting shall be held between the Director of Human Resources, or his/her designee, and a representative of the Union. The meeting shall be scheduled by the Director of Human Resources, or his/her designee, and held within twenty (20) days after receipt of the written appeal.

The Director of Human Resources, or his/her designee, shall have the full authority of the Mayor and the City Council to resolve the grievance.

Within thirty (30) days after the step three meeting or receipt of the step three appeal, whichever is later, the Director of Human Resources or his/her designee shall send a written response to the Union. The step three decision shall clearly identify that answer as a “step three decision.”

Section 4.08 - Step Four (Regular Arbitration)

Within twenty (20) days of the date of the step three decision the Union shall have the right to submit the matter to arbitration by informing the Director of Employee Services that the matter is to be arbitrated. Thereafter, the Parties shall attempt to have the grievance resolved in a timely manner. When a party has the burden of production, any period of inactivity greater than thirty (30) days shall result in the matter becoming untimely. The defaulting party shall be solely responsible for the arbitrator’s fee, if any.

If the matter is to be arbitrated, a single arbitrator shall be selected from the panel of eight (8) qualified arbitrators. The arbitrator shall be selected on an alphabetical, rotational basis with each Party having the right to exercise one strike. If the arbitrator is stricken, s/he will retain his/her position in the order. Either Party may request an annual review of the panel at which time a new panel will be selected.

Within thirty (30) days following the close of the hearing or the submission of briefs by the parties, the arbitrator shall render a written decision based upon the facts presented and provide the reasons for the determination. The decision shall resolve the grievance and order any

appropriate relief. The decision and award of the arbitrator shall be final and binding upon the Employer, the Union and the employee (s) affected.

The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement.

The arbitrator is also prohibited from making any decision that is contrary to law or to public policy.

Subd. 1. Pay During Proceeding

One representative of the Union, the Grievant and all necessary employee witnesses shall receive their regular salary and wages for the time spent in the arbitration proceeding if such proceeding is held during regular work hours.

Section 4.09 - Expedited Arbitration (optional)

The Union and the Employer may mutually agree to expedited arbitration. Upon such agreement, the Union and the Employer will make immediate (within twenty-four (24) hours) arrangements with the Bureau of Mediation Services for the expedited arbitration procedure and such procedure shall begin as soon as the Bureau can initiate a hearing. It shall be the specific request of both the Union and the Employer to have a decision within fourteen (14) days of the hearing, and that no briefs will be filed.

Section 4.10 - Mediation (optional)

The Parties may, by mutual agreement, utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration.

The objective of mediation is to find a mutually satisfactory resolution to the dispute. The parties shall mutually choose a mediator or have a mediator assigned by the Bureau of Mediation Services.

Subd. 1. General Provisions

A. Arbitration time frames shall be tolled during the mediation procedure; however, there shall be no additional extensions without written mutual agreement.

B. Grievances that have been appealed to arbitration may be referred to mediation if both the Parties agree.

C. Mediation conferences shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.

D. Promptly after both parties have agreed to mediate, the parties shall notify the Bureau of Mediation Services. The Bureau of Mediation Services shall arrange for the conference.

E. The mediation proceedings shall be informal in nature and the goal will be to mediate up to three (3) grievances per day.

F. Each party shall have one (1) principal spokesperson that will have the authority to agree upon a remedy of the grievance at the mediation conference.

G. One (1) Grievant will have the right to be present for each grievance.

H. The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.

I. The mediator may meet separately with the parties during the mediation conference. The mediator will not have the authority to compel the resolution of a grievance.

J. Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain on (1) copy of the written grievance to be used solely for the purposes of statistical analysis.

K. If no settlement is reached during the mediation conference, the mediator may provide the parties with an immediate oral advisory opinion if requested by either or both parties. The opinion will involve the interpretation or application of the collective bargaining agreement and the reasons for his/her opinion. The parties may agree that no opinion shall be provided.

L. The advisory opinion of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.

M. If no settlement is reached as a result of the mediation conference, the grievance may be scheduled for arbitration in accordance with Section 4.08.

N. In the event a grievance that has been mediated is subsequently arbitrated, no person who served as the mediator may serve as the arbitrator. In the arbitration hearing, no reference to the mediator's advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator's advice or ruling or refer at arbitration to any admissions or offers of settlement made by the other party at mediation.

O. By agreeing to schedule a mediation conference, the Employer does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.

P. The fees and expenses of the mediator and mediation office, if any, shall be shared equally by the parties.

Subd. 2. Pay During Proceeding

One representative of the Union, and all necessary employee witnesses shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, if such proceeding is held during regular working hours.

Section 4.11 - Election of Remedy

Employees covered by Civil Service systems created under Chapter 43a, 44, 375, 387, 419, or 420, by a Home Rule Charter under Chapter 410, or by laws 1941, Chapter 423, may pursue a grievance through the procedure established under this section. When a grievance is also within the jurisdiction of appeals boards or appeals procedures created by Chapter 43a, 44, 375, 387, 419, or 420, by a Home Rule Charter under 410, or by laws 1941, Chapter 423, the employee may proceed through the grievance procedure or the Civil Service appeals procedure, but once a written grievance or appeal has been properly filed or submitted by the employee or on the employee's behalf with the employee's consent, the employee may not proceed in the alternative manner.

For a qualified veteran electing to use the procedures of sections [197.46](#) [veterans preference hearing for removal from employment or removal from a position] to [197.481](#), the matters governed by those sections must not be considered grievances under the collective bargaining agreement, and if a veteran elects to appeal the dispute through those sections, the veteran is precluded from making an appeal under the grievance procedure of the collective bargaining agreement.

Nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

ARTICLE 5 **EMPLOYEE DISCIPLINE AND DISCHARGE**

Section 5.01 - Just Cause

Disciplinary action may be imposed upon an employee who has satisfactorily completed the initial probationary period only for just cause.

Section 5.02 - Progressive Discipline

Disciplinary action shall normally include only the following measures and, depending upon the seriousness of the offense and other relevant factors, shall normally be administered progressively in the following order:

Subd. 1. Reprimands, either oral or written;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and/or pay or discharge from employment.

If the Employer has reason to reprimand an employee, it shall normally not be done in the presence of other employees or the public.

Section 5.03 - Discharge Due Process

No *regular employee* (i.e., an employee who has satisfactorily completed the initial probationary period) shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practicable, such opportunities shall be provided in a conference with the Employer which shall be conducted after advance notice to the employee and his/her Union representative who shall be permitted to attend the conference. If a conference is to be conducted, the involved employee(s) shall remain in pay status until the conference has been completed.

Section 5.04 - Appeals

Disciplinary actions within the meaning of this article, excluding oral reprimands, imposed upon an employee who has completed the initial probationary period, may be appealed through the grievance procedure outlined elsewhere in this Agreement. Grievances filed concerning suspensions, demotions and/or discharges may be initiated at Step 2 of such procedure. Such matters shall be handled in accordance with the provisions of the grievance procedure; and, if necessary, through the arbitration procedure.

Section 5.05 - Disciplinary Action Records

A written record of all disciplinary actions within the meaning of this article, excluding oral reprimands, shall be provided to the involved employee(s) and may be entered into the employee's personnel record. Investigations into conduct which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. When a disciplinary action more severe than a written reprimand is imposed, the Employer shall notify the employee in writing of the specific reason(s) for such action at the time such action is taken and provide the Union with an informational copy. Written reprimands shall not be relied upon to form the basis for further disciplinary action after two (2) years following the date of the written reprimand.

Section 5.06 - Disciplined Employee's Response

Any employee who is disciplined by written reprimand, suspension, demotion or discharge (and/or such employee's Union representative) shall be entitled to have a written response, if any, included in their personnel record, if filed with the Employer within twenty (20) calendar days of the issuance thereof.

Section 5.07 - Union Representation

Employees have the right to request and shall not be denied Union representation at any conference concerning a grievance, or a complaint involving performance or employment status of the employee.

ARTICLE 6
SENIORITY

Section 6.01 - Seniority Defined

When used in this Agreement, the terms *City seniority* and *classification seniority* and *job site seniority* shall have the meanings given them below:

Subd. 1. City Seniority Defined

City seniority is defined as the length of uninterrupted employment with the Employer and based on the date of the employee's initial certification date. Effective for employee's hired on or after October 1, 1998, *city seniority* is defined as the length of uninterrupted employment with the Employer and based on the date of the employee's first day of employment.

Subd. 2. Classification Seniority Defined

Classification seniority is defined as the length of employment within a job classification and based on the employee's certification number. Effective for employee's hired on or after October 1, 1998 or changing classifications on or after October 1, 1998, *classification seniority* is defined as the length of employment within a job classification and based on the date the employee began working in that classification on a permanent basis.

Subd. 3. Job Site Seniority Defined

Job site seniority is defined as the continuous length of employment within a job site and based upon the employee's most recent date of employment within the job site. There shall be three job sites: Property Services (including the Public Service Center), Convention Center and Water Department.

Subd. 4. Seniority During Workers' Compensation Absences

City and classification seniority shall not be lost and shall continue to accumulate without limitation during all workers' compensation absences.

Subd. 5. Ties in Seniority

Ties in classification seniority shall be broken by City seniority. Ties in City seniority shall be broken randomly. Ties in job site seniority shall be broken by classification seniority.

Section 6.02 - System Seniority Credit

Upon hiring an applicant who was previously employed by the Minneapolis Library Board, the Minneapolis Board of Education and/or the Minneapolis Park and Recreation Board, the Employer shall grant City and classification seniority credit for all purposes provided such applicant's employment is continuous between such Boards and the Employer and to the extent that such Boards afford reciprocal recognition of seniority credit to the employees covered by this Agreement.

Section 6.03 - Loss of Seniority

An employee's seniority shall be lost and his/her employment shall be terminated upon the occurrence of any of the following:

Subd. 1. He/she quits or retires and does not rescind such action within five (5) calendar days;

Subd. 2. He/she is discharged and the discharge is not reversed;

Subd. 3. He/she has been laid off and not actively working for the Employer for a period of three (3) years.

Section 6.04 - Loss of Classification and Job Site Seniority

When a bargaining unit member is offered and accepts a position with the Employer that is outside the jurisdiction of the Agreement, the employee's accrued classification seniority and job site seniority shall be tolled, or frozen.

If the employee returns to a bargaining unit position within twelve (12) months, without a break in service with the Employer, the tolled seniority shall be restored to the employee. If the employee returns to a bargaining unit position after twelve (12) months but before twenty four (24) months, without a break in service with the Employer, one half of the tolled seniority shall be restored to the employee. An employee who is out of the bargaining unit for more than twenty four (24) months will lose all previously accrued classification and job site seniority. This provision does not affect employees on layoff status if the employee was a bargaining unit member at the time of layoff; the seniority of such employees will be governed by Article 6.01 – 6.03.

ARTICLE 7 **FILLING VACANT POSITIONS**

Section 7.01 - General Provisions

The Parties agree that the following provisions respecting the filling of vacant bargaining unit positions shall be applicable in addition to other Employer-promulgated procedures to the extent that such procedures do not conflict with the provisions herein. These provisions shall be applicable to all Job Postings conducted for the purpose of filling vacant bargaining unit positions.

Section 7.02 - Job Postings and Applications

Subd. 1. Job Postings

Job postings, when offered, shall be posted for a period of not less than seven (7) calendar days. The job posting shall set forth the title, salary, nature of work to be performed, minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing

date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted job posting. An applicant's eligibility for promotion begins on the date their name was added to a requisition list. Job postings for newly created positions and/or for positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the job postings previously used, shall not be finalized by the Employer until the affected Union representative has had an opportunity to review the proposed job posting and provide the Union's input into the job posting development process. A copy of the job posting in its final form shall be furnished to the Union at least seven (7) calendar days prior to its approval.

Subd. 2. Stated Qualifications

The minimum qualifications set forth in the job posting shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

Subd. 3. Application for Promotion

All employees may make application for any job posting provided they meet the minimum, stated qualifications for the involved position; provided, however, that employees who have failed a promotional probationary period in a classification shall not be permitted to take an examination for promotion to that classification within twelve (12) months of the date of such failure.

Subd. 4. Job Posting Advertisement

The Employer may conduct an *open* and/or *promotional* job posting(s). The Employer may advertise an open position internally and externally simultaneously. For purposes of this article, applicants from the the Minneapolis Board of Education and the Minneapolis Park and Recreation Board shall be considered as "outside" applicants.

Section 7.03 - Examination of Qualified Applicants

Subd. 1. Examination Times

When an employee is scheduled to take a Minneapolis Civil Service promotional examination in his or her promotional line during his or her regular scheduled hours of duty, the Employer shall grant time off, with pay, to take the examination when reasonably possible.

Subd. 2. Testing

All applicants who meet the minimum stated qualification requirements for the Job Posting may be tested. The Employer may, however, at its discretion, limit the number of applicants to be tested on the basis of the applicants' City seniority and on the basis of an objective review of each applicant's relevant education, training and experience, i.e., an *application review* subject to the following provisions:

a. If seniority/application review limitations apply, an equal number of applicants shall be selected on the basis of seniority and application review, respectively.

b. If the testing limitations described above are to be used, the details of the limitation(s) shall be outlined by the job posting referred to in Section 7.02, Subd. 1 of this article. The Employer may elect to test all or any percentages of the applicants for any given job posting on the announced basis.

Subd. 3. Examination Scores

Applicants shall receive a total examination score, the components of which shall be weighted as follows:

a. Ninety percent (90%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.

b. Ten percent (10%) of the total examination score shall be based upon each applicant's relative seniority standing with the Employer.

In the event an internal applicant is tested pursuant to an external job posting, one hundred percent (100%) of the total examination score shall be based upon the results of the applicant's test score(s).

Section 7.04 - Eligibles and Requisition Lists

Subd. 1. Passing Score

Each applicant whose 1) total examination score and 2) test score(s) as defined in Section 7.03, Subd. 3 of this article equals or exceeds seventy percent (70%) shall be considered to have passed the examination. There is no *passing score* for the seniority component.

Subd. 2. Requisition List – Job Postings

The names of those applicants who have passed an examination shall be placed on a requisition list in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two (2) or more eligibles hold identical total examination scores, their names shall be placed on the requisition list in random order; however, the names of veterans shall always be placed over the names of non-veterans who hold identical scores.

Subd. 3. List Expiration

The staffing division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the job posting and/or by letter.

Section 7.05 - Selection of Certified Eligibles

Any or all of the eligibles on a requisition list may be certified to the appointing authority for selection. In the event an external job posting is conducted, at least the top three (3) internal applicants who pass the exam shall be certified for interview. Any of the eligibles certified to the appointing authority may be selected to fill the vacant position. The name of the eligible selected shall be removed from the requisition list.

Section 7.06 - Probationary Periods

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. All initial probationary periods shall be six (6) months in duration and all promotional probationary periods shall be twelve (12) months in duration. An employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. Removal during an employee's initial probationary period shall result in termination of employment. An employee removed during a promotional probationary period, however, shall have the right to return to a vacant position in his/her previous classification or, if none is available, to his/her previous position. For purposes of this section, one (1) month shall be deemed to be one hundred seventy-four (174) hours of work. Time spent in temporary duty in the position immediately preceding the appointment shall count toward satisfaction of the probationary period, benefits eligibility (without retroactivity), and pay progression requirements.

Section 7.07 - Lateral Transfers

Employees may request to be transferred to a vacant position within their classification in another job site and may be transferred pursuant to such request with the written approval of their division head, the involved appointing authority and the Employer's Director, Employee Services. Such transferred employees shall serve a three (3) month probationary period in the new position. If removed by the appointing authority during the probationary period, the involved employee shall be reassigned to a vacant position within the classification or, if none is available, to their previous position.

Section 7.08 - Permits and Details

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or six (6) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

Section 7.09 - Permanent Intermittent Employees

The Employer may hire on an as needed basis a permanent intermittent employee to supplement its workforce. Such employee shall be entitled to the benefits as described in Article 12 (Holidays) provided they meet the requisite requirements found in 12.02 Subd. 1. Further, the permanent intermittent employee will be deemed eligible for sick leave, vacation, group health and dental benefits the same as permanently certified full-time employees; after six (6) months of service. Said employee may tack prior service credit in the same classification, if any, to their

current service in reaching the six (6) month threshold. The release of a permanent intermittent employee shall not be regarded as a layoff within the meaning of Article 8 (Layoff And Recall From Layoff) of this Agreement.

ARTICLE 8 **LAYOFF AND RECALL FROM LAYOFF**

Section 8.01 - Layoffs and Bumping

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds, lack of work to reduce the number of employees in the classified service within any job site, the department head shall immediately report such pending layoffs to the City Coordinator or his/her designated representative. The status of involved employees at the involved job site shall be determined by the following provisions and the involved employees will be notified.

Subd. 1. General Order of Layoff

Layoffs shall be made in the following manner at any job site:

- a. Permit employees shall be first laid off;
- b. Temporary employees (those certified to temporary positions) shall next be laid off;
- c. Persons appointed to permanent positions shall then be laid off.

Subd. 2. Layoff Based on Classification Seniority

The employee first laid off shall be the employee who has the least amount of classification seniority in the classification in which reductions are to be made within the involved job site; provided, however, employees retained must be deemed qualified to perform the required work.

Subd. 3. Bumping

Laid off employees shall have the right to displace the employee with the least job site seniority in any lower paid classification at that job site provided they are qualified to perform the required work.

Section 8.02 - Notice of Layoff

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days' notice prior to the contemplated effective date of a layoff.

Section 8.03 - Recall from Layoff

When work again becomes available, employees shall be recalled in the reverse order of layoff. Employees shall be recalled only to classifications from which they were laid off at any job site.

Laid off employees shall be eligible for recall for a period of two (2) years from the date of layoff.

Section 8.04 - Application and Scope

For purposes of this article, bargaining unit employees may displace (*bump*) only other bargaining unit employees who are employed at the same job site. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees, provided such employees have previously held bargaining unit positions into which they are bumping. Specifically, the provisions of this article respecting layoff, bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status. For purposes of this article, the following job sites shall be recognized: Property Services (including Public Service Center), Convention Center, and Water Department.

Section 8.05 - Exceptions

The following exceptions may be observed:

Subd. 1. Mutual Agreement

If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or his/her designated representative, employees will be laid off and re-employed upon that basis.

Subd. 2. Emergency Retention

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

ARTICLE 9 **WAGES AND PAYROLLS**

a. The job classification evaluative process shall be based upon professionally developed standards equally applied to all positions without bias.

b. Job classes shall be established which group positions that have identical or similar primary duties. Within each classification, the nature of the work shall be significantly different from other job classes.

c. Positions shall be classified based upon their job-related contributions and/or assessed value to the Employer's functions.

d. New positions shall be evaluated and placed into job classes based upon a comparison of the similarity of the assigned duties to other positions in the job class. New positions shall be placed into existing job classes unless the duties or conditions of employment are found to be substantially different from other existing classes in the classified service.

e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.

f. The MCSC, in coordination with the Employer's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification system during the life of this Agreement, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

Section 9.02 - Pay Progressions

Section 9.03 - Advances and Transfers

Subd. 1. Pay Upon Promotion

The employee shall thereafter be advanced in accordance with Section 9.02 (*Pay Progressions*) of this article. The provisions of

this subdivision shall also be applicable whenever an employee is detailed to perform all or substantially all of the duties of a higher-paid classification. In the event that an employee achieves a step increase while serving in a detail capacity, the employee's pay will be re-computed based upon their new wage in their permanently certified title. An employee who voluntarily demotes to their previously held position within twelve (12) calendar months following promotion shall be returned to the same pay step which was applicable immediately prior to the promotion.

An employee's scheduled hours of work shall not be diminished for the purpose of avoiding overtime when their work shift is not changed within the meaning of this subdivision. Whenever employees are required to attend classes and/or training outside their normal work schedule, the employee will be given not less than fifteen (15) days advance written notice.

The spring season shall normally begin in on the pay period closest to May 15 and the autumn season shall normally begin on the pay period closest to October 15. Within the Property Services job site, Public Service Center and vacation relief positions shall be identified whenever work shift bidding is conducted. No provisions of this Agreement shall be construed as a limitation on the Employer's right to change an employee's normal duty location within the job site for good cause shown and without advance notice (including, for example, in response to changing work loads, special projects, new employee training, etc.) on a temporary basis or to temporarily transfer employees from one job site to another within the employee's job classification. In Property Services, the Employer shall provide a seventy-two (72) hour notice to the vacation relief position when changing the normal schedule for the position.

Section 10.03 - Overtime Work and Pay

Subd. 1. General Overtime Provisions

Employees may be required to work a reasonable amount of overtime as assigned by the Employer. All overtime work must be approved in advance. Upon mutual agreement of the employee and the Employer, overtime may be paid in the form of compensatory time off at the rate of one and one-half (1 ½) hours off for each hour of overtime worked.

Overtime pay or compensatory time shall be granted at the rate of one and one-half times the employee's regular hourly rate of pay for all time worked in excess of eight (8) hours per day (or full work shift) or for all time worked in excess of forty (40) hours per week, and at the rate of two (2) times the employee's regular hourly rate of pay for all time worked on the seventh (7th) consecutive day of a work week. Compressed work week arrangements voluntarily agreed upon by the employee, the Union and the employee's supervisors shall be exempt from the daily overtime provisions of this paragraph.

There shall be no duplication or pyramiding of overtime rates of pay under the provisions of this Agreement. Compensation shall not be paid more than once for the same hours under any provisions of this Agreement.

Subd. 2. Compensatory Time

Upon mutual agreement with the Supervisor, employees shall be allowed to accumulate up to 100 hours of compensatory time in lieu of overtime. In December of each year, the Employer shall compensate each employee for all hours over 24 remaining in the compensatory time bank, and the employee shall begin each year with a balance not over 24 hours. Compensatory time off shall be scheduled and approved in advance in the same manner as vacation leave or as may otherwise be agreed upon by the affected employees and their immediate supervisor. Employees and their supervisors shall diligently work together to schedule accumulated compensatory time off when the impact on the Employer's operation will be minimized.

Section 10.04 - On Call Pay

The term "on call" is limited to a status in which an employee, though off duty, is required by the Employer, to be available and able to respond to inquiries by telephone and/or, if necessary, return to duty. The employee should receive clear advance notice that he/she will be "on call" and any schedule should be reasonable thus respecting the employee's personal life. Employees have the right to decline on-call assignments. The Employer shall establish the expectations associated with the compensation.

An employee designated to be "on-call" will receive \$35.00 for each weekday the employee is on-call. The employee will receive \$45.00 for each weekend day (Saturday or Sunday) or holiday the employee is on call. No additional compensation shall be received unless called back to duty. In the event the employee is required to return to duty, they shall not be subject to Section 10.05 below and, instead, shall receive their normal compensation.

Section 10.05 - Call Back Minimum

Employees who are required to come back to work after and/or before their regular scheduled hours shall be compensated at the rate of time and one-half (1 ½) for each extra hour worked or four (4) hours of straight time wages; whichever is greater.

Section 10.06 - Inclement Weather

The Employer may temporarily suspend all or a portion of its normal operation in response to inclement weather or other emergency conditions. Official closure announcements shall be made by the Employer through internal means and, where appropriate or necessary, be broadcast by WCCO-AM radio (830 kHz) and/or other suitable public media. At their option, employees shall be permitted to draw upon accumulated vacation or accumulated compensatory time to the full extent of the lost compensation due to any interruption in scheduled work. If the employee's vacation or compensatory time balances are insufficient to compensate for the interruption, the employee may draw upon accumulated sick leave benefits.

ARTICLE 11 **VACATIONS**

Section 11.01 - Vacations With Pay

Employees in the classified service of the Employer shall be entitled to vacations with pay in accordance with the provisions of this article.

Section 11.02 - Eligibility: Full-Time Employees

Vacations with pay shall be granted to permanently certified employees who work one-half (½) time or more and who have completed six (6) months of continuous service. Vacation time will be determined on the basis of continuous years of service, including time in an unclassified position immediately preceding appointment or reappointment to a classified position. For purposes of this article, *continuous years of service* shall be determined in accordance with the following:

Subd. 1. Credit During Authorized Leaves of Absence

Time on authorized leave of absence without pay, except to serve in an unclassified position, shall not be credited toward years of service, but neither shall it be considered to interrupt the periods of employment before and after leave of absence, provided an employee has accepted employment to the first available position upon expiration of the authorized leave of absence.

Subd. 2. Credit During Involuntary Layoffs

Employees who have been involuntarily laid off shall be considered to have been continuously employed if they accept employment to the first available position. Any absence of twelve (12) consecutive months will not be counted toward years of service for vacation entitlement.

Subd. 3. Credit During Periods on Disability Pension

Upon return to work, employees shall be credited for time served on workers' compensation (those returning to active employment after July 1, 1995) or disability pension as the result of disability incurred on the job. Such time shall be used for the purpose of determining the amount of vacation to which they are entitled each year thereafter.

Subd. 4. Credit During Military Leaves of Absence

Employees returning from approved military leaves of absence shall be entitled to vacation credit as provided in applicable Minnesota statutes.

Section 11.03 - Eligibility: Intermittent and Part-Time Employees

Permanent employees on an intermittent or part-time basis who have worked continuously for six (6) months or more on such basis shall also be granted vacations with pay in direct proportion to the time actually employed. In no event, however, shall employees receive vacation pay greater than what their earnings would have been during such period had they been working.

Section 11.04 - Vacation Benefit Levels

Eligible employees shall earn vacations with pay in accordance with the following schedule:

YEARS OF CITY SERVICE	VACATION DAYS
1 - 4	12
5 - 7	15
8 - 9	16
10 - 15	18
16 - 17	21
18 - 20	22
21 +	26

Section 11.05 - Vacation Accruals and Calculation

The following shall be applicable to the accrual and usage of accrued vacation benefits:

Subd. 1. Accruals and Maximum Accruals

Vacation benefits shall be calculated on a direct proportion basis for all hours of credited work other than overtime and without regard to the calendar year. Benefits may be cumulative up to and including fifty (50) days. Accrued benefits in excess of fifty (50) days shall not be recorded and shall be considered lost.

Subd. 2. Vacation Utilization

Employees shall be authorized to utilize only vacation benefits actually accrued to the date of their return from vacation. The anniversary date for increase in such employee's vacation allowance shall be the beginning of the work day immediately following the completion of the appropriate number of years of continuous service.

Subd. 3. Vacation Usage and Charges Against Accruals

Vacation shall begin on the first working day an employee is absent from duty. When said vacation includes a holiday, the holiday will not be considered as one of the vacation days.

Section 11.06 - Vacation Pay Rates

Subd. 1. Normal

The rate of pay for vacations shall be the rate of pay employees would receive had they been working at the position to which they have been permanently certified, except as provided in Subd. 2, below.

Subd. 2. Detailed (Working Out of Class) Employees

Employees on *detail* (working out of class) for a period of less than thirty (30) calendar days immediately prior to vacation will be paid upon the basis of the position to which they have been permanently certified. Employees on detail for more than thirty (30) calendar days immediately prior to vacation will be paid upon the basis of the position to which they have been detailed.

Section 11.07 - Scheduling Vacations

The Employer reserves the right to determine the maximum number of employees to be scheduled on vacation at any one time within each classification of each job site. The Employer shall make a reasonable effort to permit vacations throughout the calendar year within the legitimate constraints of its operating budget and staffing levels. Conflicts between employees with respect to the initial vacation schedule completed each year shall be resolved by job site seniority. Vacations requested by employees after the initial annual schedule is prepared shall be handled on a first-come, first-served basis. For the purpose of this article, the following job sites shall be recognized:

1. Property Services;
2. Convention Center;
3. Water Department.

Nothing herein shall be construed as a prohibition against scheduling vacations one day at a time provided the provisions of this section are observed and such requests do not interfere with longer vacations scheduled by other employees.

ARTICLE 12 HOLIDAYS

Section 12.01 - Holidays With Pay

Employees in the classified service of the Employer shall be entitled to holidays with pay in accordance with the provisions of this article.

Section 12.02 - Eligibility and Pay

Subd. 1. Eligibility

Permanent employees who are not required to work on a day recognized by this Agreement as a holiday shall be entitled to holiday pay provided such employee has worked at least two (2) hours on the last working day immediately before and at least two (2) hours on the next working day immediately after such holiday or, such employee is on a paid leave of absence, vacation or sick leave properly granted.

Subd. 2. Holiday Pay and Rate

Employees eligible to receive holiday pay as outlined in this article shall be paid eight (8) hours pay calculated at their regular, straight-time, base rate of pay or, if such employee regularly works less than forty (40) hours per week, such holiday pay shall be prorated.

Subd. 3. Holidays During Vacation and Sick Leave

Holidays which occur within an employees' approved vacation or sick leave period shall be paid as holidays only and shall not be charged as vacations or sick leave.

Section 12.03 - Holidays Defined

Subd. 1. Schedule of Holidays

The following named days shall be considered *holidays* for purposes of this article:

- New Year's Day
- Martin Luther King Day
- President's Day
- Memorial Day

- Labor Day
- Indigenous Peoples Day (Columbus Day)
- Veteran's Day
- Thanksgiving Day
- Day After Thanksgiving
- Christmas Day

Subd. 2. Holidays Occurring on Weekends

When a day recognized by the Agreement as a holiday falls on a Sunday, the following Monday shall be considered to be the holiday. When a day recognized by this Agreement as a holiday falls on a Saturday, the preceding Friday shall be considered to be the holiday.

Section 12.04 - Holidays Worked

Employees who are required to work on 1) a day recognized by the Agreement as a holiday or 2) an actual holiday which occurs on a weekend or 3) both, shall be paid one and one-half times their hourly base rate of pay for each hour worked on one (1) of the days in addition to the holiday pay for which they may be entitled.

Section 12.05 - Religious Holidays

Employees may observe religious holidays on days which do not fall on Sunday or on a holiday as defined in Section 12.03, Subd. 1, above. Such days off shall be taken off without pay unless 1) the employee has accumulated vacation benefits available in which case the employee shall be required to take such days off as vacation, or 2) the employee obtains supervisory approval to work an equivalent number of hours (at straight-time rates of pay) at some other time during the calendar year. The employee must notify the Employer at least ten (10) calendar days in advance of the religious holiday of his/her intent to observe such holiday. The Employer may waive this ten (10) calendar day requirement if the Employer determines that absence of such employee will not substantially interfere with its operation.

ARTICLE 13 **LEAVES OF ABSENCE WITHOUT PAY**

Section 13.01 - Leaves of Absence Without Pay

Leaves of absence without pay may be granted to permanent employees when authorized by State Statute or by the Employer pursuant to the provisions of this article upon written application to the employee's immediate supervisor or his/her designated representative. Except for emergency situations, leaves must be approved in writing by the Employer prior to commencement.

Section 13.02 - Leaves of Absence Governed by State Statute

The following leaves of absence without pay may be granted as authorized by applicable Minnesota statutes:

Subd. 1. Military Leave

Employees in the classified service shall be entitled to military leaves of absence without pay for duty in the regular Armed Forces of the United States, the National Guard or the Reserves. At the expiration of such leaves, such employees shall be entitled to their position or a comparable position and shall receive other benefits in accordance with applicable Minnesota statutes. (See also, *Military Leaves With Pay* at Article 14, Section 14.04 of this Agreement.)

Subd. 2. Appointive and Elective Office Leave

Leaves of absence without pay to serve in an Appointive-Unclassified City position or as a Minnesota State Legislator or full-time elective officer in a city or county of Minnesota shall be granted pursuant to applicable Minnesota statutes.

Subd. 3. Union Leave

Leaves of absence without pay to serve in an elective or appointive position in the Union shall be granted pursuant to applicable Minnesota statutes.

Subd. 4. School Conference and Activities Leave

Leaves of absence without pay of up to a total of sixteen (16) hours during any twelve (12) month period for the purpose of attending school, pre-school or child care provider conferences and classroom activities of the employee's child, provided that such conferences and classroom activities cannot be scheduled during non-work hours. When the need for the leave is foreseeable, the employee shall provide reasonable prior notice of the leave to their immediate supervisor and shall make a reasonable effort to schedule the leave so as not to disrupt the operations of the Employer. Employees may use accumulated vacation benefits or accumulated compensatory time for the duration of such leaves.

Subd. 5. Family and Medical Leaves

a. General. Pursuant to the provisions of the federal *Family and Medical Leave Act of 1993* as amended and the regulations promulgated there under which shall govern employee rights and obligations as to family and medical leaves wherever they may conflict with the provisions of this subdivision, leaves of absence of up to twelve (12) weeks in any twelve (12) months will be granted to eligible employees who request them for the following reasons:

- (i) for purposes associated with the birth or adoption of a child or the placement of a child with the employee for foster care,
- (ii) when they are unable to perform the functions of their positions because of temporary sickness or disability, and/or
- (iii) when they must care for their parent, spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, child, or other dependents and/or members of their households who have a serious medical condition.
- (iv) for a qualifying exigency arising out of the fact that the employee's spouse, registered domestic partner within the meaning of Minneapolis Code of Ordinances Chapter 142, son, daughter, or parent is on active duty or being called to active duty in support of a contingency operation. The service member must be a member of the National Guard or Military reserves or, under some circumstances, a retired member of the Regular Armed Services.

Leaves of absence of up to twenty six (26) weeks on a one time basis will be granted to eligible employees who request them when they must care for their spouse, son, daughter, or parent, or next of kin who is a covered service member in the Regular Armed Forces, National Guard or Reserves who has incurred a serious injury or illness in the line of duty while on active duty.

Unless an employee elects to use accumulated paid leave benefits while on family and medical leaves (see paragraph "f", below), such leaves are without pay. The Employee's group health, dental and life insurance benefits shall, however, be continued on the same basis as if the employee had not taken the leave.

b. Eligibility - Employees are eligible for family and medical leaves if they have accumulated at least twelve (12) months employment service preceding the request for the leave and they must have worked at least six (6) months during the twelve (12) month period immediately preceding the leave. Eligible spouses or registered domestic partners who both work for the Employer will be granted a combined twelve (12) weeks of leave in any twelve (12) months when such leaves are for the purposes referenced in clauses (i) and (iii) above.

c. Notice Required - Employees must give thirty (30) calendar days' notice of the need for the leave if the need is foreseeable. If the need for the leave is not foreseeable, notice must be given as soon as it is practicable to do so. Employees must confirm their verbal notices for family and medical leaves in writing. Notification requirements may be waived by the Employer for good cause shown.

d. Intermittent Leave - If medically necessary due to the serious medical condition of the employee, or that of the employee's spouse, child, parent, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, or other dependents and/or members of their households who have a serious medical condition, leave may be taken on an intermittent schedule. In cases of the birth, adoption or foster placement of a child, family and medical leave may be taken intermittently only when expressly approved by the Employer.

e. Medical Certification. The Employer may require certification from an attending health care provider on a form it provides. The Employer may also request second medical opinions provided it pays the full cost required.

f. Relationship Between Leave and Accrued Paid Leave - Employees may use accrued vacation, sick leave or compensatory time while on leave. The use of such paid leave benefits will not affect the maximum allowable duration of leaves under this subdivision.

g. Reinstatement - Upon the expiration of family and medical leaves, employees will be returned to an equivalent position within their former job classification. Additional leaves of absence without pay described elsewhere in this Agreement may be granted by the Employer within its reasonable discretion, but reinstatement after any additional leave of absence without pay which may have been granted by the Employer in conjunction with family and medical leaves, is subject to the limitations set forth in Section 13.03 (*Leaves of Absence Governed by this Agreement*) of the Agreement.

Section 13.03 - Leaves of Absence Governed by this Agreement

Employees may be granted leaves of absence for reasonable periods of time provided the requests for such leaves are consistent with the provisions of this section. Employees on leave in excess of six (6) months will, at the expiration of the leave, be placed on an appropriate layoff list for their classification if no vacancies exist in their classification. Employees on leave of less than six (6) months will, at the expiration of the leave, return to their departments in positions within their classification. Leaves of absence under this section may be granted for the following purposes:

Subd. 1. Temporary illness, disability or maternity properly verified by medical authority;

Subd. 2. To serve in an unclassified City position not covered by Minnesota statute;

Subd. 3. Education that benefits the employee to seek advancement opportunities or carry out job-related duties more effectively;

Subd. 4. To serve temporarily in a position with another public employer where such employment is deemed by the Employer to be in the best interests of the City;

Subd. 5. To become a candidate in a general election for public office. A leave of absence without pay commencing thirty (30) calendar days prior to the election is required, unless exempted by the Employer;

Subd. 6. For personal convenience not to exceed twelve (12) calendar months;

Subd. 7. A leave of absence without pay of ninety (90) calendar days per calendar year or less if approved by the Employer for the purpose of reducing the Employer's operating budget. Such employees shall be credited with seniority, vacation, group health/life insurance benefits and sick leave benefits as if they had actually worked the hours.

ARTICLE 14 **LEAVES OF ABSENCE WITH PAY**

Section 14.01 - Leaves of Absence With Pay

Leaves of absence with pay may be granted to permanent employees under the provisions of this article when approved in advance by the Employer prior to the commencement of the leave.

Section 14.02 - Funeral Leave

A leave of absence with pay shall be granted in the event an employee in the classified service suffers a death in his/her immediate family in accordance with the following:

A leave of absence of three (3) working days shall be granted in conjunction with the death or funeral of an employee's parent, stepparent, spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, child, stepchild, brother, sister,

stepbrother, stepsister, father-in-law, mother-in-law, grandparent, grandchild, or members of employees' households. Bereavement Leave may be used intermittently; however, the three (3) working days must be used within five (5) working days from the time of death or funeral unless an extension is required for individually demonstrated circumstances. For purposes of this subdivision, the terms *father-in-law* and *mother-in-law* shall be construed to include the father and mother of an employee's domestic partner.

Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances.

Section 14.03 - Jury Duty and Court Witness Leave

After due notice to the Employer, employees subpoenaed to serve as a witness or called for jury duty, shall be paid their regular compensation at their current base rate of pay for the period the court duty requires their absence from work duty, plus any expenses paid by the court. Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the Employer. If an employee is excused from jury duty prior to the end of the normal work day, he/she shall return to work if reasonably practicable or make arrangements for a leave of absence without pay. For purposes of this section, such employees shall be considered to be working normal day shift hours for the duration of their jury duty leave. Any absence, whether voluntary or by legal order to appear or testify in private litigation, not in the status of an employee but as a plaintiff or defendant, shall not qualify for leave under this section. Such absences shall be charged against accumulated vacation, compensatory time or be without pay.

Section 14.04 - Military Leave

Pursuant to applicable Minnesota statutes, employees who are qualified under the Statute are entitled to leaves of absence with pay during periods not to exceed fifteen (15) working days in any calendar year to fulfill service obligations.

Section 14.05 - Olympic Competition Leave

Pursuant to applicable Minnesota statutes, employees are entitled to leaves of absence with pay to engage in athletic competition as a qualified member of the United States team for athletic competition on the Olympic level, provided that the period of such paid leave will not exceed the period of the official training camp and competition combined or ninety (90) calendar days per year, whichever is less.

Section 14.06 - Bone Marrow Donor Leave

Pursuant to applicable Minnesota statutes, employees who work twenty (20) or more hours per week shall, upon advance notification to their immediate supervisor and approval by the Employer, be granted a paid leave of absence at the time they undergo medical procedures to donate bone marrow. At the time such employees request the leave, they shall provide to their immediate supervisor written verification by a physician of the purpose and length of the required leave. The combined length of leaves for this purpose may not exceed forty (40) hours unless agreed to by the Employer in its sole discretion.

Section 14.07 - Return From Leaves of Absence With Pay

When employees are granted leaves of absence with pay under the provisions of this article, such employees, at the expiration of such leaves, shall be restored to their position.

ARTICLE 15 **SICK LEAVE**

Section 15.01 - Sick Leave

Employees in the classified service of the Employer who regularly work more than twenty (20) hours per week shall be entitled to leaves of absence with pay, for actual, bona fide illness, temporary physical disability, or illness in the immediate family, or quarantine. Such leaves shall be granted in accordance with the provisions of this article.

Section 15.02 - Definitions

The term *illness*, where it occurs in this article, shall include bodily disease or injury or mental affliction, whether or not a precise diagnosis is available, when such disease or affliction is, in fact, disabling. Other factors defining sick leave are as follows:

Subd. 1. Ocular and Dental

Necessary ocular and dental care of the employee shall be recognized as a proper cause for granting sick leave.

Subd. 2. Chemical Dependency

Alcoholism and drug addiction shall be recognized as an illness. However, sick leave pay for treatment of such illness shall be contingent upon two conditions: 1) the employee must undergo a prescribed period of hospitalization or institutionalization, and 2) the employee, during or following the above care, must participate in a planned program of treatment and rehabilitation approved by the Employer in consultation with the Employer's health care provider.

Subd. 3. Chiropractic and Podiatrist Care

Absences during which ailments were treated by chiropractors or podiatrists shall constitute sick leave.

Subd. 4. Illness or Injury in the Immediate Family

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child ("child" shall include the employee's biological, step, or foster child under 18 years of age, or under 20 years of age if still attending secondary school), and up to 160 hours in a rolling twelve month period when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* within the meaning of *Minneapolis Code or Ordinances*

Chapter 142, parents, parents-in-law, sibling, adult child, grandchild, grandparent, step-parent, guardian, or ward. The utilization of sick leave benefits under the provisions of this subparagraph shall be administered under the same terms as if such benefits were utilized in connection with the employee's own illness or injury. Additional time off without pay, compensatory time or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances. Nothing in this subdivision limits the rights of employees under the provisions of Section 13.02, Subd. 5 (*Family and Medical Leaves*) of this Agreement.

Section 15.03 - Eligibility, Accrual and Calculation of Sick Leave

If permanently certified employees who have completed six (6) months of continuous service and who regularly work more than twenty (20) hours per week, are absent due to illness, such absences shall be charged against their accumulated accrual of sick leave. Sick leave pay benefits shall be accrued by eligible employees at the rate of twelve (12) days per calendar year worked and shall be calculated on a direct proportion basis for all hours of credited work time other than overtime.

Section 15.04 - Sick Leave Bank - Accrual

All earned sick leave shall be credited to the employee's sick leave *bank* for use as needed. The Employer may require medical verification in cases of suspected fraudulent sick leave claims, excessive or systematic use of sick leave or other sick leave benefit misuse. Three (3) or more consecutive days of sick leave shall require an appropriate health care provider in attendance and verification of such attendance. The term *in attendance* shall include telephonically-prescribed courses of treatment by a physician which are confirmed by a prescription or a written statement issued by the physician.

Section 15.05 - Interrupted Sick Leave

Permanently certified employees with six (6) months of continuous service who have been certified or recertified to a permanent position shall, after layoff or disability retirement, be granted sick leave accruals consistent with the provisions of this article. Employees returning from military leave shall be entitled to sick leave accruals as provided by applicable Minnesota statutes.

Section 15.06 - Sick Leave Termination

No sick leave shall be granted an employee who is not on the active payroll or who is not available for scheduled work. Layoff of an employee on sick leave shall terminate the employee's sick leave.

Section 15.07 - Employees on Suspension

Employees who have been suspended for disciplinary purposes shall not be granted sick leave accruals or benefits for such period(s) of suspension.

Section 15.08 - Employees on Leave of Absence Without Pay

An employee who has been granted a leave of absence without pay, except a military leave, shall not be granted sick leave accruals or benefits for such periods of leave of absence without pay.

Section 15.09 - Notification Required

Employees shall be required to notify their immediate supervisor as soon as possible of any occurrence within the scope of this article which prevents work. If the Employer has provided pre-work shift contact arrangements, employees shall be required to provide such notification no later than one (1) hour before the start of the work shift. If no such arrangements have been made, employees shall be required to provide such notification as soon as possible but in no event later than one-half (½) hour after the start of the shift.

ARTICLE 16 **ANNUAL SICK LEAVE CREDIT PAY PLAN AND ACCRUED SICK LEAVE RETIREMENT PLAN**

Section 16.01 - Annual Sick Leave Credit Pay Plan

An employee who satisfies the eligibility requirements of this Section, shall be entitled to make an election to receive payment for sick leave under the terms and conditions set forth below.

- (a) **Eligibility.** An employee who has an accumulation of sick leave of sixty (60) days or more on December 1 of each year (hereafter an “Eligible Employee”) shall be eligible to make the election described below.
- (b) **Election.** On or before December 10 of each year, the Employer shall provide to each Eligible Employee a written election form on which the Eligible Employee may elect whether he/she wants to receive cash payment for all or any portion of his/her sick leave that will be accrued during the calendar year immediately following the election (the “Accrual Year”). The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits his/her election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave or change the amount of sick leave for which payment is to be made. If an Eligible Employee does not transmit an election form to the employer on or before December 31, he/she shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.
- (c) **Payment.** Within sixty (60) days after the end of the Accrual Year, an Eligible Employee who has elected to receive cash payment shall be paid as follows:

- i. *At Least Sixty (60) Days, But Less Than Ninety (90) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on fifty percent (50%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.
- ii. *At Least Ninety (90) Days, But Less Than One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on seventy-five percent (75%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.
- iii. *At Least One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on one hundred percent (100%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.

- (d) Adjustment of Sick Leave Bank. The number of hours for which payment is made shall be deducted from the Eligible Employee's sick leave bank at the time payment is made.
- (e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same annual time as regular changes in deferred compensation payroll deductions are normally permitted.

Section 16.02 - Accrued Sick Leave Retirement Plan

Employees who retire from positions in the qualified service and who meet the requirements set forth in this article shall be paid in the manner and amount set forth herein.

- (a) Payment for accrued but unused sick leave shall be made only to retired former employees who:
 - i. have separated from service; and
 - ii. as of the date of retirement had accrued sick leave credit of no less than sixty (60) days; and

iii. as of the date of retirement had:

1. no less than twenty (20) years of qualified service as computed for retirement purposes, or
2. who have reached sixty years of age, or
3. who are required to retire early because of either disability or having reached mandatory retirement age.

(b) When an employee having no less than sixty (60) days of accrued sick leave dies prior to retirement, he/she shall be deemed to have retired because of disability at the time of death, and payment for his/her accrued sick leave shall be paid to the designated beneficiary as provided in this Section.

(c) The amount payable to each employee qualified hereunder shall be one-half (½) the daily rate of pay for the position held by the employee on the day of retirement, notwithstanding subsequent retroactive pay increases, for each day of accrued sick leave subject to a minimum of sixty (60) days.

(d) Effective April 5, 2004 and thereafter, 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of retirement.

LETTER OF AGREEMENT
Reasonable Suspicion Drug Alcohol Testing

1. **PURPOSE STATEMENT** - Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City has adopted this LOA concerning drugs and alcohol in the workplace. This LOA establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing LOA is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this LOA shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Human Resources Director is directed to develop and maintain procedures for the implementation and ongoing maintenance of this LOA and to establish training on this LOA and applicable law.

2. **WORK RULES**

- A. No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved by the Employer as a proper law enforcement activity.
- B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved by the Employer as a proper law enforcement activity.
- C. No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.
- D. As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.
- E. As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.
- F. Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.
- G. The Employer shall notify the granting agency within ten (10) days after receiving notice of a criminal drug statute conviction from an employee or otherwise receiving actual notice of such conviction.

3. PERSONS SUBJECT TO TESTING

Unless otherwise specified, all employees are subject to testing under applicable sections of this LOA. However, no person will be tested for drugs or alcohol under this LOA without the person's consent. The Employer can request or require an individual to undergo drug or alcohol testing **only under the circumstances described in this LOA.**

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

- A. **Reasonable Suspicion Testing.** The Employer may, but does not have a legal duty to, request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion (a belief based on specific facts and rational inferences drawn from those facts) related to the performance of the job that the employee:
1. Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or
 2. Has used, possessed, sold, purchased or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment; or
 3. Has sustained a personal injury as that term is defined in *Minnesota Statutes* §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or
 4. Was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident resulting in property damage or personal injury and the Employer or investigating supervisor has a reasonable suspicion that the cause of the accident may be related to the use of drugs or alcohol.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in reasonable suspicion determinations under this LOA.

- B. **Treatment Program Testing** - The employer may request or require an employee to submit to drug and alcohol testing if the employee is referred for chemical dependency treatment by reason of having a positive test result under this LOA or is participating in a chemical dependency treatment program under an employee benefit plan. In such case, the employee may be required to submit to drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following notification that he/she will be subjected to Treatment Program Testing.
- C. **Unannounced Testing by Agreement.** The employer may request or require an employee to submit to drug and alcohol testing without prior notice on terms and conditions established by a written "last-chance" agreement between the Employer and employee's collective bargaining representative.
- D. **Testing Pursuant to Federal Law.** The employer may request or require an employee to submit to testing as may be necessary to comply with federal law and regulations. It is the intent of this LOA that federal law preempts both state drug and alcohol testing laws and City policies and agreements. If this LOA conflicts with federal law or regulations, federal law and regulations shall prevail. If there are conflicts between federal regulations and this LOA, attributed in part to revisions to the law or changes in interpretations, and when those changes have not been updated or accurately reflected in this policy, the federal law shall prevail.

5. REFUSAL TO UNDERGO TESTING

- A. **Right to Refuse** - Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.
- B. **Consequences of Refusal** - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may subject the employee to disciplinary action up to and including discharge from employment.
- C. **Refusal on Religious Grounds** - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo alternative drug or alcohol testing methods.
- D. **Failure to Provide a Valid Sample with a Certified Result** - Includes but is not limited to: 1) failing to provide a valid sample that can be used to detect the presence of drugs and alcohol or their metabolites; 2) providing false information in connection with a test; 3) attempting to falsify test results through tampering, contamination, adulteration, or substitution; 4) failing to provide a specimen without a legitimate medical explanation; and 5) demonstrating behavior which is obstructive, uncooperative, or verbally offensive, and which results in the inability to conduct the test.

6. PROCEDURE FOR TESTING

- A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing LOA*, and (2) indicate consent to undergo the drug and alcohol testing.
- B. **Collecting the Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.
- C. **Testing the Sample.** The handling and testing of the sample shall be conducted in the manner specified in Minn. Stat. §181.953 by a testing laboratory which meets, and uses methods of analysis which meet, the criteria specified in subdivisions.1, 3, and 5 of that statute.
- D. **Thresholds.** The threshold of a sample to constitute a positive result alcohol, drugs, or their metabolites is contained in the standards of one of the programs listed in MN Statute §181.953, subd 1. The employer shall, not less than annually, provide the unions with a list or *access to a list* of substances tested for under this LOA and the threshold limits for each substance. In addition, the employer shall notify the unions of any changes to the substances being tested for and of any changes to the thresholds at least thirty (30) days prior to implementation.
- E. **Positive Test Results** – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of his/her right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days, or any other information relevant to the reliability of, or explanation for, a positive test result.

7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the Medical Review Officer, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
- B. The right to request and receive from the Employer a copy of the test result report;
- C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;
- D. The right to submit information to the Employer's Medical Review Officer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that the employee is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result;
- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;
- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;
- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to suffer no adverse personnel action based solely on the fact that the employee is requested to

submit to a test.

8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

A. **Positive Test Result.** Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:

1. First Offense - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency.

a. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency.

b. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.

2. Second Offense - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment.

B. Suspensions and Transfers.

1. **Pending Test Results From an Initial Screening Test or Confirmatory Test.**

While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the of the results of the test, be grounds for discipline. In such circumstances, the employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.

2. **Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense.** When an employee requests that a confirmatory retest be conducted, the employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use his/her accrued and unused vacation or compensatory time during the time of leave. An employee

who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.

3. **Rights of Employee in Event of Work Restrictions.** In situations where the employee is not allowed to remain at work until the end of his/her normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing his/her personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.
- C. **Other Misconduct** - Nothing in this LOA limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.
- D. **Other Consequences** – Other actions may be taken pursuant to Civil Service Rules, collective bargaining agreements or laws.
- E. **Treatment Program Testing** – The Employer may request or require an employee to undergo drug and alcohol testing if the employee has been referred by the employer for chemical dependency treatment or evaluation or is participating in a chemical dependency treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following completion of any prescribed chemical dependency treatment program.

9. DATA PRIVACY

The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. LETTER OF AGREEMENT Job Bank and Related Matters

The above-entitled Parties are signatory to a Labor Agreement which is currently in force (the “Labor Agreement”). This Letter of Agreement outlines additional agreements reached by the Parties during the course of collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS

The Employer has created a *Job Bank* as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer’s intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual “bumping” and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer’s desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term “Recall List” as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

JOB BANK PROCESS AND PROCEDURE

I. Job Bank Assignment

1. Regular (*permanently certified*) employees whose positions are eliminated shall receive formal, written notification to that effect from the appointing authority of the department to

which they are assigned. If a position is to be eliminated in any department, the employee with the least amount of seniority in the particular job class within the impacted division/department will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.

2. Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.
3. Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

II. Job Bank Activities

1. While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.
2. While affected employees are assigned to the Job Bank, the Employer shall make reasonable efforts to identify vacant positions within its organization which may provide continuing employment opportunities and which may be deemed suitable for affected employees by all concerned.

- a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.
- i. **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
 - ii. **Pay Upon Transfer.** The employee's salary in the new position will be their former salary or that of the next available step in the pay progression schedule for the new title which provides for an increase in salary if no equal pay progression step exists. If the employee's salary in the former position is greater than the maximum salary applicable to the new title, the employee's salary will be *red circled* until the maximum salary for the new title meets the employees' red circled rate. Such employees shall, however, be eligible for fifty percent (50%) of the negotiated general increase occurring during the term of the Agreement. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
 - iii. **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed, the affected employee shall be returned to Job Bank assignment and the employee's "bumping", layoff or transfer rights under the Agreement or other applicable authority shall be restored to the same extent such rights existed prior to the employee taking the probationary position. Upon the affected employee's first such return to the Job Bank, the employee shall be entitled to remain in the Job Bank for the greater of ten (10) business days, or the duration of the applicable Job Bank period, as determined under Article I, paragraph 2, that remained as of the date the employee began in the probationary position. The rate of compensation for the remainder of the employee's time in the Job Bank will be the same as the rate in effect as of the employee's last day in the probationary position. Return to the Job Bank terminates the employee's work in the probationary assignment and, therefore, time served following the return to the Job Bank shall not be construed to count toward the completion of the probationary period.
- b. **Reassignment.** The Employer reserves the right to transfer an employee in the Job Bank to a new position and/or duty location within their job classification at a time determined to be appropriate by the Employer. Such reassignments

terminate the affected employee's assignment to the Job Bank. If the Labor Agreement covering the job classification of the employee reassigned under this paragraph specifically permits a probationary period upon reassignment, the provisions of subparagraph a. iii., above, shall apply as if the reassignment had been a transfer.

- c. **Recall Rights.** Employees who accept a position out of the Job Bank or who bump into a previously held position, or leave City employment on layoff shall retain recall rights to the title they held when assigned to the Job Bank in accordance with the collective bargaining agreement at the time of placement in the Job Bank.
- d. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to "bump" or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

- 1st Priority: Qualified Job Bank employees
- 2nd Priority: Employees on a recall list
- 3rd Priority: Employee applicants from a list of eligibles
- 4th Priority: Displaced certified temporary employees
- 5th Priority: Non-employee applicants from a list of eligibles

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether he/she meets the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Director of Human Resources. If it is determined that an employee in the Job Bank is qualified for a vacant position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

- 3. During their assignment to the Job Bank, affected employees will be provided an

opportunity to meet with the Employer's Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects. Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These services shall be provided to the Job Bank employee at no cost to the employee.

III. Layoff, Bumping and Retirement Considerations

1. A "Primary Impact Employee" is an employee who enters the Job Bank due to the elimination of his/her position. A "Secondary Impact Employee" is an employee who enters the Job Bank because he/she may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, "bumping" and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises his/her displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee's vacation bank. A Secondary Impact Employee must exercise his/her displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a *iii*, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee's term in the Job Bank would have expired had the employee remained in the Job Bank for the maximum period.
2. If an affected employee is unable to exercise any "bumping" rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:
 - (a) The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.
 - (b) The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.
 - (c) The City shall pay one hundred (100) percent of the premiums for the first six (6) months of COBRA continuance at the level of coverage and plan selected by the employee and in effect on the date of the layoff.

The terms of this provision relating to the continuation of insurance benefits will expire on December 31, 2013. The City Council must take specific action to extend these terms

relating to the continuation of insurance benefits if the City Council wants those specific insurance benefits to apply to laid off employees after December 31, 2013.

3. If eligible, affected employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan. In such event, affected employees will be eligible for any available Retirement Incentive that is agreed to by the Parties.

IV. Dispute Resolution. Disputes regarding the application or interpretation of this Agreement are subject to the grievance procedure under the Labor Agreement between the parties, except as specifically provided here. A dispute regarding the application or interpretation of this Agreement that needs to be resolved during an employee's time in the Job Bank may be submitted to the Job Bank Steering Committee. The decision of the Job Bank Steering Committee will be binding on the parties. Submission to the Job Bank Steering Committee shall not preclude the filing of a grievance on the issue. However, the decision of the Steering Committee shall be admissible in an arbitration hearing on such grievance.

The provisions of this *Letter of Agreement* associated with the Job Bank Program shall become effective upon the approval of the Employer's Council and Mayor. The Job Bank procedures outlined herein shall be observed after the negotiated termination date of the Labor Agreement between the Parties, and expire on December 31, 2016.

To the extent that there is any conflict between the terms of this *Letter of Agreement* and the Labor Agreement, the Labor Agreement shall prevail.

NOW THEREFORE, the Parties have caused this *Letter of Agreement* to be executed by their duly authorized representative whose signatures appear below.

**LETTER OF AGREEMENT
Return to Work/Job Bank Program and Related Matters**

The above-entitled Parties are signatory to a Labor Agreement which most recently took effect on **October 1, 2014**. This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS OF THE RETURN TO WORK PROGRAM:

The employee's Return to Work Program provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees in finding temporary assignments within their medical restrictions; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity within three (3) working days of the receipt of the medical release.

If there is a question about the employee's medical release, the City's consulting physician shall make the final determination of an employee's ability to return to work. If the employer is unable to offer appropriate work within the employee's limitations, the employer shall provide for the employer's portion of the health care benefit while the employee is in the Return to Work Program. Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee's functional improvement. In addition, compliance with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860, applicable rules and this Agreement is mandatory. Compliance will be monitored by the Claims Coordinators/Return to Work Coordinator. Failure to comply with the requirements of this program may result in termination of their participation. Compliance with the program will be determined by the employer.

RETURN TO WORK PROCESS:

Eligibility: Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995.

RTW – Phase I

When an injured employee receives medical restrictions that prevent return to the preinjury job, the employee is placed in the Return to Work Program. Placement attempts for injured employees shall first be to the employee's existing job, if restrictions permit, then to modified duty assignments within the employee's originating unit, then to modified duty assignments within the employee's originating

department. If no modified duty assignment is currently available in the employee's department, placement will take place through a citywide search. The employee will continue to receive his/her pre-injury salary and benefits for the first thirty (30) days after the medical release with restrictions. While so assigned, however, injured employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.

RTW – Phase II

If continued medical restrictions prevent the employee from returning to the preinjury position, the employee shall continue in the Return to Work Program until Maximum Medical Improvement (MMI) and/or permanent restrictions are reached. After the initial thirty (30) days of temporary assignment the employee will be detailed to a job classification that most accurately reflects the duties he/she is or will be performing. Wage losses attributable to assignment to a modified duty assignment or due to restrictions that reduce time at work will be paid at the temporary partial disability rate, in accordance with the Workers' Compensation Act.

If at any time during this Program the employee does not follow the work restrictions of the physician or refuses a light duty assignment, they will be removed from the program.

RTW – Phase III

JOB BANK PROCESS:

The employer has created a Job Bank component to the Return to Work Program. The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if the employee is unable to perform the duties of the preinjury position as a result of a work injury arising out of and in the course of employment for the City. It is the employer's intention, to the extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative positions. Mutual cooperation and participation is necessary in order to accomplish this objective.

1. Eligibility: When the injured employee reaches Maximum Medical Improvement (MMI) and/or permanent restrictions and those restrictions prevent the employee from returning to the preinjury position, he/she shall be afforded the Job Bank Program if one so exists.
2. The services and benefits of the Job Bank will apply to employees injured on the job as long as the employee complies with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860, applicable rules and this Agreement. Employee compliance will be determined by the City. These services and benefits include:
 - a) 120-day tenure
 - b) Job interviews/Placement opportunities
 - c) Skills assessment
 - d) Training opportunities
 - e) Job-seeking classes
 - f) Health insurance continuation, if separated from employment, as provided for in the Minneapolis Code of Ordinances, §20.900.
3. Employees will be offered a temporary light duty assignment consistent with the restrictions. If the employee declines the temporary light duty assignment he/she will have the option to use any accrued paid leave and will remain eligible for other Job Bank benefits. If the employee accepts the temporary

light duty assignment he/she will receive the preinjury salary while in the Job Bank Program. Such salary will be paid by the Workers' Compensation fund.

4. Any Family Medical Leave for which the employee is eligible will run concurrently with the employee's tenure in the Job Bank and with his/her use of accrued paid leave.
5. The department that the employee came from has the primary responsibility for finding temporary assignments for the employee while in the Job Bank. The Return to Work Coordinator/Claims Coordinator, and Qualified Rehabilitation Consultant will aid in determining alternate assignments if the original department is unable to identify temporary work assignments.
6. If the injured worker has not been placed in a permanent position after one hundred twenty (120) calendar days, he/she will be separated from City service.
7. Failure to participate in a diligent job search or to comply with the requirements of the Workers' Compensation Law during participation in the Return to Work program or Job Bank may result in termination of Job Bank services and benefits.
8. An employee has no further tenure in the Job Bank after a formal job offer has been made.

Filling Vacant Positions:

During the time the procedures outlined herein are in effect, position vacancies will be filled based on the employees' qualifications. During their assignment to Job Bank, injured workers will be provided an opportunity to meet with a City Placement Coordinator to discuss such matters as available employment opportunities with the City, skills assessments, training and/or retraining opportunities, out placement assistance and related job transition subjects. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment training and job search activities.

- **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.
- **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated as long as the job requirements are consistent with the employee's permanent restrictions. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
- **Pay Upon Transfer.** The employee's salary in the new position will be supplemented, if necessary, to comply with the Worker's Compensation Statutes. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
- **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed (either because the involved supervisor has concluded that the employee's performance in the new position is not satisfactory or because the employee is not satisfied

LETTER OF AGREEMENT 2014 Health Care Insurance

WHEREAS, the City of Minneapolis (hereinafter "Employer") and the I.U.O.E. Local 70 (hereinafter "Union") are parties to a Collective Bargaining Agreement that is currently in force; and

WHEREAS, the Parties desire to provide quality health care at an affordable cost for the protection of employees, which requires a modification to the current Collective Bargaining Agreement as it relates to the funding of Health Care beginning January 1, 2014 and

NOW, THEREFORE BE IT RESOLVED, that the parties agree as follows for the period January 1, 2014 through December 31, 2014:

2. Medica will continue a dual medical premium system that provides incentives for wellness program participation. The monthly medical premiums for subscribers who complete 2013 wellness program points by August 31, 2013 (the "wellness premiums") will be lower than the premiums for subscribers who do not complete 300 wellness program points by August 31, 2013 (the "standard premiums"). The 2013 wellness program requirements are described the *New and Improved! My Health Rewards by Medica*SM brochure which is attached hereto and incorporated herein as Appendix A.

The "wellness premium" will also apply to all newly enrolled employees who were benefit eligible after July 1, 2013.
3. For the period January 1, 2014 through December 31, 2014, the City will pay \$507.06 per month for employees who elect single coverage under the medical plan.
4. For the period January 1, 2014 through December 31, 2014, the City will pay \$1,369.07 per month for employees who elect family coverage under the medical plan.
5. The City will continue the Health Reimbursement Arrangement ("the Plan") which was established January 1, 2004 to provide reimbursement of eligible health expenses for participating employees, their spouse and other eligible dependents; and the Voluntary Employees' Beneficiary Association Trust (the "Trust") through which the Plan is funded.

6. The Plan shall be administered by the City or, at the City's discretion, a third party administrator.
7. The City shall designate a Trustee for the Trust. Such Trustee shall be authorized to hold and invest assets of the Trust and to make payments on instructions from the City or, at the City's discretion, from a third party administrator in accordance with the conditions contained in the Plan. Representatives of the City and up to three representatives selected by the Minneapolis Board of Business Agents shall constitute the VEBA Investment Committee which shall meet not less than annually to review the assets and investment options for the Trust.
8. The City shall pay administration fees for Plan members who are current employees and other expenses pursuant to the terms of the Plan. Plan members who have separated from service will be charged an administration fee of \$1.50 per month beginning the January 1st of the calendar year following the year in which they experience a one year break in service.
9. The City will make a contribution to the Plan in the annual amount of \$1,080.00 for employees who elect single coverage and \$2,280.00 for employees who elect family coverage in the City of Minneapolis Medical Plan. Such City contribution shall be made in monthly installments equal to one-twelfth (1/12) of the designated amount and shall be considered to be contract value in the designated amount.

No later than December 1, 2014, the City shall make an additional, one-time lump sum contributions to the Plan in the amount of \$200.00 for any employee who is enrolled in the medical plan as of January 1, 2014 and who completes certain additional 2014 wellness program activities by August 31, 2014. Additional lump sum contributions to the Plan will be based on the following:

- For an employee who, as of August 31, 2014, has single coverage or has family coverage and has enrolled children only, and not a spouse, the employee must earn more than 300 points under the 2014 wellness program.
- For an employee who, as of August 31, 2014, has family coverage and has enrolled a spouse, the employee's spouse must complete a personal health profile.

In the event of a forfeiture required pursuant to Section 5.5(b) of the Plan, following the death of a member who has no surviving spouse or qualified dependents, the amount forfeited will be divided evenly among the Plan accounts of members of the bargaining unit to which the deceased member last belonged. The amount to be forfeited will be calculated as of the date claims for reimbursement are no longer timely pursuant to terms of the Plan. For purposes of eligibility to receive such forfeited amount, bargaining unit membership will be determined on the date such forfeiture is distributed.

10. Future employee contributions for medical plan and/or Plan contributions will be determined by the Benefits Sub-committee of the Citywide Labor Management Committee; however, absent a subsequent agreement, the City shall bear 82.5% of any generalized medical premium rate increase and the employees shall bear 17.5% of any generalized medical premium rate increase, as determined by Medica.
11. The Parties agree that, except for City contributions to the Plan or other negotiated payments to a tax-qualified health savings account, incentives, discounts or special payments provided to medical plan members that are not made to reimburse the member or his/her health care provider for health care services covered under the medical plan (e.g. incentives to use health club memberships or take health risk assessments) are not benefits for the purposes of calculating aggregate value of benefits pursuant to Minn. Stat. § 471.6161, Subd. 5.

12. The unions shall continue to be involved with the selection of and negotiations with the medical plan carrier.
13. This agreement does not provide the unions with veto power over the City's decisions.
14. This agreement does not negate the City's obligation to negotiate with the unions as described by Minn. Stat. § 471.6161, Subd. 5.
15. The terms of this agreement shall be incorporated into the Collective Bargaining Agreement as appropriate without additional negotiations.
